

NORTHERN ALBERTA CAGE BIRD ASSOCIATION

Membership Application

Objectives

1. To promote the study of cage birds and to facilitate the exchange of information between members.
2. To educate members and the general public in maintaining a healthy environment for cage birds.
3. To assist in the collection of scientific data and maintain pedigree registration through national affiliations.
4. To encourage the general public to participate in the activities of the Society through meetings, exhibitions and shows.
5. To encourage and protect the interests of fanciers, breeders and exhibitors.
6. To assist as we are able, in the preservation of rare and endangered avian species.
